ASPHER

The Association of Schools of Public Health in the European Region

Founded in 1966

# About ASPHER

ASPHER is the key independent European organisation dedicated to improving and protecting the public health by strengthening education and training of public health professionals for both practice and research.

## Who can join ASPHER?

Teaching and research institutions, and other structures with a role in PH education or training located in the WHO European Region are eligible for **Full Membership.**

Institutions which do not meet the criteria for full membership, with an interest in PH education or training (e.g. located outside the European Region) are eligible for **Associate Membership.**

Member of: GLOBAL NETWORK FOR ACADEMIC PUBLIC HEALTH

# Upcoming events – mark your calendars!

## European Public Health (EPH) Conference

10-13 November 2026, Bilbao (Spain)

The EPH Conference brings together researchers, policymakers, practitioners, and students to share evidence, debate ideas, and shape public health in Europe. ASPHER is a key partner to the EPH Conference, organising: the annual Young Researchers Forum (YRF) pre-conference, and Plenary 1 Session: Can we survive climate change?

EPH EUROPEAN PUBLIC HEALTH CONFERENCE

YRF abstract submission is open until 15 September.
Submit abstracts to: youngresearchersforum@aspher.org

More information and Registration: https://ephconference.eu/

## ASPHER European Congress on Education and Training in Public Health

16-18 June 2027, Zagreb (Croatia)

Hosted by the Andrija Štampar School of Public Health (SPH), University of Zagreb

The Congress serves as a flagship European forum to debate, exchange, and co-create knowledge on the education and training of public health professionals. It embodies ASPHER's mission and values - scientific excellence, solidarity, interdisciplinarity, and social accountability - while offering a platform to shape the future of learning in public health.
